

# Headfort School

## Boarding Clothing Requirements

- Please ensure that all your child's clothes and possessions are clearly marked with woven name tapes / clearly visible clothes marker.
  - All clothing without woven name tapes sewn on will be sent home. (Preferably not iron-on name tapes.)
- 
- All games clothing, uniform and blazer can be purchased from [Uniformity](#). This website clearly outlines compulsory and non-compulsory items of clothing.
  - Each child should bring to school an overnight bag containing the necessities for the first night of term. These should include a wash bag, towel, slippers, pyjamas, dressing gown, indoor shoes, and a pullover.
  - Private clothes may be worn on informal occasions. These should be restricted to two pairs of trousers ( jeans or otherwise), two warm sweaters, two t-shirts, outdoor clothing, and shoes, one set of which will be put aside for weekend visits.
  - A hockey stick should be provided in the Autumn and Spring terms. Tennis rackets are encouraged when the child begins to show interest in these games. It is especially important that all sporting equipment be carefully marked.

# Checklist

---

## Boarding
